

Parents' Information Regarding NISD 2020-2021 Voluntary Accident Insurance Coverage Options and Enrollment Form

The Northside Independent School District (NISD) does NOT assume financial responsibility for injuries sustained while attending school and participating or practicing in school-sponsored and supervised extracurricular activities and sports. A parent/guardian does however have the option to purchase one of three ACCIDENT-ONLY insurance plans offered under a voluntary enrollment program approved by NISD. The ACCIDENT-ONLY insurance plans are underwritten by Ameritas Life Insurance Corp. and administered by Student Assurance Services, Inc.(SAS) Refer to the voluntary plan options and coverage descriptions below. The voluntary accident plan covers University Interscholastic League (UIL) sports and activities (except coverage does not include interscholastic football for students in grades 9-12). A schedule of the plan benefits and exclusions under the three voluntary plans offered are addressed on back of this page.

I understand that a student participating in "Interscholastic Football" in grades 9-12 will be covered only after I purchase one of the three voluntary accident plans and NISD has paid the football premium to SAS. If I purchase the Basic Plan or Preferred Plan, NISD will pay the football premium for the same plan purchased. The Premier Plan is not available to NISD for football coverage. If I purchase the Premier Plan, NISD will only pay the football premium for the Preferred Plan and football will be covered under the same plan. Extended Dental is not an eligible plan for football coverage.

Football coverage paid by NISD is ONLY for Football grades 9-12 and does not extend beyond football practices or games and travel to and from football practices and games in school-provided transportation. Football coverage expires at the end of Football season as mandated by UIL regulations.

I acknowledge that I have been given the opportunity to review the enrollment, benefits and exclusions of the voluntary accident insurance coverage available, and understand coverage for Interscholastic Football begins only after a voluntary accident plan is purchased. I understand that it is my responsibility to enroll in the voluntary accident plan and submit premium payment directly to SAS. Insurance coverage is effective on the later of: master policy effective date 08-01-2020; or 12:01 A.M. following the date the envelope containing the enrollment form and premium payment is postmarked by the U.S. Postal Service; or for online enrollment 12:01 A.M. following the date the proper premium is received by SAS. All coverage expires July 31, 2021 of the current school year.
